

## **Do You Have Photos for the Parish 50th Anniversary History Book?**

St. Jerome's was founded on October 4, 1960. We have started planning Parish 50th Anniversary celebration activities for 2009-2010 and organizing for a 50th anniversary parish history book.

We are looking for parishioners who can lend us photos of parish events, both from the past 25 years and the first 25 years, and parishioners who can give us recollections of parish activities and personalities, from the past 25 years and from the first 25 years.

Please contact Florence Loch at 846-3980 or e-mail Dan Loch at [dan\\_loch@msn.com](mailto:dan_loch@msn.com).
